7 PM Nov. 17 | Aquinas Hall Fireplace Room

The Three Moral Determinants

The problem in Western society today is the "dictatorship of relativism" as Pope Benedict described it. In morals this has had the effect of making all morals and rights subjective. The Catholic tradition comes to the rescue with the three moral determinants of good and evil taught by Thomas Aquinas and explained in the Catechism of the Catholic Church. What are they and how do they relate to conscience?
