***How One Icon Changed
My Way of Seeing***

Join us for our third annual Chesterton Ladies Night! An Evening for Women, Wisdom, and Wine held at the beautiful Scenic Valley Farms Tasting Room. Fresh produce, heavy appetizers & sweet treats will be served. There will be an update on the Academy as well as an ask for donations to support the school.

This year, we are thrilled to have Christine Schlessner as our guest speaker. Christine earned a BA in International Studies, Russian and German at Willamette University. She now assumes operations of the historically significant Classical Iconography Institute, a fine arts nonprofit based in Portland.
