An International Missionary Priest

Fr. Alliston Fernandes is a missionary priest ordained in 2010 for the *Institute for World Evangelization*, a Pontifically recognized Institute. He is incardinated into the Archdiocese of Malta and has served the Church across the globe in various capacities with the longest duration being in New Zealand. Fr. Alliston will lead us in a three-evening parish mission centered on encountering the merciful heart of the Father; the transformation possible through Christ and generously responding to a Spirit-led call to Mission.

These evenings will incorporate testimonies, prayer moments, and songs, so that the mission not only stimulates your intellect, but feeds the soul.
